Pickers Parking Area #1

Gala Outstanding flavor, typically small.

Crimson Crisp Sweet Sharp flavor wth crisp white taste. Eating

Crimson Gold Have a near full red-orange blush on a yellow
background, and the flesh is white, firm and juicy.

Topaz Firm and Juicy with a refreshing sharp flavor which mellows with time

Liberty Medium sized, yellow-fleshed dessert apple with 90% red over
yellow background color. Best eaten fresh but stores well for several months, and
then makes an excellent pie.

Pickers Parking Area #2

Crimson Crisp Sweet Sharp flavor wth crisp white taste. Eating

Cortland Slightly tart & Crisp. Snacks, dessert, pies and sauce. Non browning
quality.

Macoun Outstanding dessert & snack apple, very white flesh.
Good for baking, pies & sauce. A McIntosh x Jersey Black Cross.

Shizuka known for their intense sweetness with a distinctive
light, crisp flesh that has been compared to a Honeycrisp or Jonagold apple.
